

DENVER CHRISTIAN  
SCHOOL

*Inspired Equipped Engaged*

# STUDENT LIFE

Student Life at Denver Christian School means challenging, loving and supporting students as they seek to find meaning in their educational experiences. We work hard to encourage our students to model more, each day, the life of Christ. We promote, in our students, a sense of self understanding and whole child health. We also help our students develop God-honoring relationships. Overall, we seek to work together to inspire and equip students to engage the world with Christ's transforming power and love.

## STUDENT CULTURE

The goal of Student Life is to shape and develop a positive, uplifting and Christ-centered student environment and culture at DC. Whether your child is a leader in the classroom or in the community, Denver Christian students believe they have the power to make a difference. Students are encouraged to participate in a variety of co-curricular activities in addition to their academic endeavors.

So, whether it is a passion for the fine arts or athletics, service work or spiritual development, our students' interests can easily be met—all while earning an exceptional education.

## MENTORSHIP

Through Denver Christian's one-campus model, our older students can serve as mentors for younger students. Classes often pair up and have "book buddies", high school students have opportunities to serve as "teacher assistants" for lower grade teachers. At all ages, our students benefit from the experience that a Preschool-12th grade environment provides.

## STUDENT CONDUCT AND DISCIPLINE

Our focus in student conduct and discipline is on restorative practices which emphasize the importance of relationships within the school; student to student and teacher to student. It's about building those relationships in the DC community. When students and teachers feel a sense of connection to each other and to the school they are both inspired to succeed in their given areas of focus.

Students and parents must read and agree to the code of conduct and governing principles stated in the student handbook of Denver Christian School upon enrollment. These includes behavior, dress code, technology usage, anti-bullying policy, and more.

*"He has shown you, O mortal,  
what is good. And what does  
the Lord require of you? To act  
justly and to love mercy and to  
walk humbly with your God."*

*-Micah 6:8*

Classes often pair up and have "book buddies", high school students have opportunities to serve as "teacher assistants" for lower grade teachers.

## OPPORTUNITIES BEYOND CURRICULUM

Denver Christian's extra-curricular programs provide a wide range of activities that nurture whole child development. We offer:

 Competitive athletics program for 6th–12th grade students with a variety of fall, winter and spring sports.

 Fine and Performing Arts programs are available during the school day for all students with deeper experiences offered after school for middle school and high school students.

 School Clubs including Girls on the Run in elementary, Inventors Club in Middle School, Speech and Debate in High school, and so much more.

 Trips including college exploration trips, DC Band to Disney World, domestic and international mission and service trips.

 DC Summer Camps are open to all students in the Denver community. Full day and half day options are available including speciality camps.

## CHAPEL AND FAITH FAMILIES

We take time each Thursday to pause from our school work and join together in worship. Most weeks our chapel services are designed to engage each school division separately.

**DC school chapels include one or more of the following elements:**

- Worship through music and singing
- Student or faculty led prayer
- Dynamic speakers from our Christian community
- Student interaction and discussion
- Service projects for students of all grade levels
- Personal stories of mission experiences
- Class-directed skits, songs and Bible performances

Once a month, our Preschool - High School students will all worship together in Faith Families, and then join together in service to others.

Truly something special, the more than 30 Denver Christian Faith Families are made up of at least one student from each grade level. “Families” stay together for the duration of their education at Denver Christian. Older students cycle out after graduation as new students are welcomed into the family. The Senior (12th grade) family member is leader of each family. Faith families provide lifelong memories, friendships, teaching moments and mentorship opportunities to our students.

Parents are welcome at chapel! We love to share our worship experiences with our community.
